

10  
10 HOUSES ROBBED  
IN ONE BLOCK

Apartments and Private Houses  
in West Fifty-third Street Are  
Looted by Thieves Within the  
Last Few Days.

BURGLARS ALSO CUT UP  
CLOTHING AND CURTAINS.

Negro Crooks Are Suspected by  
the Police, and Much of the  
Stolen Property Is Recovered  
in Ninth Avenue Pawnshops.

Negro sneak thieves have been terrorizing the residents of apartment houses and private homes in Fifty-third street, between Eighth and Ninth avenues, for the past week and so boldly have they been operating that detectives and plain clothes men from the West Forty-seventh street police station have been unable to make a single arrest. Since the thieving began it was admitted by Police Captain Hayes today, there have been ten houses entered and in every one of them the thieves have carried away loot.

The house of a Mr. Gouther, who lives at No. 301 was robbed Tuesday night while he and his family were at dinner. The thieves then bent on doing more mischief, used a pair of scissors and cut up clothes and curtains in the front room of the house.

The same night the house of A. S. Travers was entered in the most mysterious way and overcoats and clothes were stolen. Mrs. Travers was only out of the room which was robbed a few minutes. On returning she saw the figure of a man disappearing through the hall. He got to the street before she could give the alarm, but she saw that he was well dressed and a negro. She did not report the loss of several overcoats to the police, but next day did detective work on her own account and found the lost overcoats in a Ninth Avenue pawnshop a few minutes after they had been pawned by a negro.

Following came the robbery of the home of Mrs. James Davitt, of No. 218, where clothes were stolen. The same night Marcus Wimpelberg, who lives at the same address, was robbed of an overcoat and other clothes. Last night the house at No. 211 was entered and more overcoats stolen.

Police Captain Hayes, of the West Forty-seventh street police station, said today that there had been at least ten robberies by these same sneak thieves, and that all of the stolen goods had apparently been pawned at Ninth Avenue pawnshops. He said that the thieves were undoubtedly negroes and that they worked with remarkable boldness.

"DRAGGY" FEELING—MALARIA—BAD BLOOD

"I Would Get Up in the Morning Feeling Dull and Tired—Would Be Tired All Day—I Am Cured"—By the Celebrated Nerve Vitalizer and Tonic.

Paine's Celery Compound.

"I Have a Good Night's Rest—I Wake Up Refreshed—I Am Cheerful All Day Long—I Do My Work Faster and Better."

The gentle but unfailing regulating power of Paine's Celery Compound does away with "that disheartened feeling" which sets its mark upon the faces and the lives of so many unhappy women.

Thousands of women whose bright eyes, clear complexions, buoyant spirits and un-failing health are the envy of others owe their pure, strong blood and fine vitality solely to the little morning doses of Paine's Celery Compound, the celebrated Nerve Vitalizer and Tonic, which gives the whole system strength to do its work in a healthful way.

It keeps them "always at their best."

Miss Arlington's Letter.

"I suffered with chills and fever and my skin was growing very sallow. The slightest draft would be enough to cause hot flushes or a quick chill. We thought it was malaria, but can never yet explain how I contracted it. I always had a draggy feeling, and would get up in the morning feeling dull and tired, and would be tired all day."

"I was advised by a relative to try Paine's Celery Compound, which had helped her considerably, and I had such a good night's rest and woke up so refreshed that I determined to continue it."

"I do not feel any more lassitude, and I am cheerful all day long. I get through my work with satisfaction and work faster and better. The chills and fever are completely cured. This is just the time of the year when I used to have them worst, and I have not had a single chill. My complexion is better, and I can recommend Paine's Celery Compound as a gradual and thorough cure for malaria."—Miss Edna Arlington, Newcastle, Neb.

"Cure the real cause of your 'trembling' nerves."  
—Prof. E. B. Phelps, M. D., LL.D., of Dartmouth University—Famous Director of Paine's Celery Compound.

Learn how much better you can feel—Go to your Druggist To-Day—Get one bottle—Feel just ONCE that abundant new nerve force made by Paine's Celery Compound—You will NEVER AGAIN be contented with low spirits and poor health.

Miss EDNA ARLINGTON.  
One Among Thousands of Women Who Tell and Write Their Earnest Praise of Paine's Celery Compound. It made Her Strong, Well, Bright and Happy.

Open Saturday Nights Until 10 o'Clock.  
CHAPMAN & CO
